About Us

Galaxy Bearings Limited started manufacturing Taper Roller Bearings & Cylindrical Roller Bearings in 1990 and so far we have developed a variety of bearings to cater different market segments.

We draw inspiration from the immense power and energy of the Sun. It is our symbol for all the values that we hold - Reliability, Strength, Quality and Energy. And just like the sun provides light and warmth to the universe, we strive to reach our customers, no matter where they are in the world and ensure that they receive highest quality product and services with punctual deliveries and for earning the warmth of business relationship based on high business morals and ethics.

Mission Statement

- To attain global best manufacturing practices and become a world class bearing manufacturer
- To provide affordable & reliable quality products

- To achieve excellence in service and reliability
- To earn the trust and confidence of all customers
- To consistently achieve high growth with the highest levels of productivity

Vision Statement

To become a remarkable player in the bearing industries by manufacturing & supplying bearings as per the Indian Standard & customer specific requirements to customers in India & Worldwide

Company Values

- Mutual respect
- Team work
- Creativity
- Excellence
- Trust worthiness

"Growth to be meaningful, impactful and sustainable needs to be nurtured with Care. Care that is all inclusive and holistic."

spearheading a leading

The commercial transport market is extremely competitive. Whether the operation is in India or overseas, ensuring vehicles are on the road, working is a prime focus for all areas of the industry.

Providing reliable on-road operations with comprehensive yet flexible service, now drives much of the thinking & Galaxy Bearing Ltd. have already adopted the feel to provide high precision bearing. Our bearings are very predicable which makes it an ideal host for monitoring not only its performance, but also the performance of the greater assemblies of which it is a part.

Galaxy Bearings Ltd. is specialized in manufacturing anti-friction bearings used in Wheel & axle assemblies for applications such as container trailer, equipment carrier, port trailer, bulk tank trailer, and dump trailer as well as various automotive assemblies for agriculture.

Galaxy Bearing Ltd. also manufactures axle spare parts & exports to various countries. We pay special attention in manufacturing axle & wheel bearings as they play pivotal role in functioning of axles. Our made parts have met total customer's satisfaction due to quality & cost efficiency.

Wheel & Axle application

Galaxy Bearings Ltd. also leads in manufacturing bearings to the motors & compressors industry which meets individual specifications & tolerances. This sustains the performance characteristics & physical properties which are the prerequisite of these applications.

By the means of specialized tooling & engineering techniques Galaxy Bearings Ltd. can produce in mass production. Our closed cooperation since the decade have led to innovative solutions and advancements in our bearings. Thus having better performing motors & compressors today, more reliable motors & compressors for tomorrow.

We are poised to provide you with the highest quality service available in the industry with both time and cost efficiency.

Bearings for Motor & Compressor application

Production Facilities

We have state of art manufacturing technology ensuring the quality of our product initiated from the raw material procurement to the final processes.

- Forging
- Spherodised annealing
- CNC turning
- Heat treatment (Through hardening)
- Grinding SPM for bearing rings
- Duplex grinders (Through feed)
 - Center less grinders
 - External track grinders
- Lip grinders
- Internal grinders
- Super finishing
- A complete line of imported, automized, CNC controlled grinding machine with MARPOSS in process & post process gauging
- Imported Automatic Washing & Oiling machine for assembly line
- Automatic roller shorting machine

Quality Control

authenticity inspiration commitment honesty Galaxy Bearings Ltd. has a required set up for ensuring desired quality. We are equipped with various testing equipment bearings...

- Surface finish & form Testing Instrument
- Roundness Tester
- Metallurgical Microscope
- Contamination testing equipment
- Magnetic crack detector
- Noise testing instrument
- Vibration analyzer
- Digital Dial Indicator Calibrator
- Required all other gauges & instruments in metrology laboratory.
- Required Metallurgical testing equipment in metallurgical laboratory.
- Bearing Test Rigs for product validation / functional test
- Bearing Frictional Torque measurement equipment

Product Range

Letter to Shareholders

Dear Shareholders,

On behalf of the Board, I'm delighted to report another year for Galaxy Bearings as we continue our focused efforts towards pursuing our long term objectives. Our strengths in the areas of metallurgy, part design, and global foot-print and skilled talent base remain the focal points around which we continue to invest. While giving you a glimpse of our near-term strategies, despite the year 2019-20 being marred by uncertainties and volatilities, we continued working closely with our customers – helping them mitigate all the ambiguities. We navigated through the challenging situation with our prompt and decisive actions while constantly delivering value for all our stakeholders.

The global economy demand slackened with a reduction in growth in major economies with financial disruptions and uncertainty in trade tensions between the US and China. Growth in most Emerging Market and Developing Economies (EMDE) regions which contributes to around 59% of total global GDP has drastically underperformed, reflecting downgrades to almost half of Emerging Markets and Developing Economies. The Indian economy is forecasted a receding rate, with at a 7-year-low GDP growth rate which precludes India's vulnerability to an extended economic slowdown. Adding to the weakened manufacturing and domestic and international demand; COVID-19 has created a breakdown in global supply chains at a time of organizations worldwide relying on the philosophies of globalization. An already fragile economy and uncertainty of production cycles Automobile sales in India across categories declined 19.08% in February as economic slowdown continued to hit demand. Your company has been closely monitoring the status of the pandemic outbreak and its potential unforeseen adverse impact. Anticipating the further time-scape of the current restrictions implemented by the Government of India.

Our top priority is the safety and well-being of our employees, who are vital to support our customers and the communities we operate in. Considering the potential risks of safety we have implemented a number of preventative and precautionary actions with immediate effect to ensure employee well-being and continued service of our customers. Our hearts go out to anyone who's been impacted by the virus, either directly or indirectly. Our thoughts are especially with those who are sick, to whom we extend our heartfelt wishes for a full recovery. And we're truly inspired by the selfless healthcare workers around the world who are on the front lines working tirelessly to care for people in need. We wish the world comes out safely from this notified disaster soon. We are grateful to our clients for their trust, to our employees for their steadfast efforts and to our stockholders for believing in our strategy and its potential for creation of value.

I thank all the stakeholders for placing their trust and confidence and look forward to your continued support.

Stay Safe & Stay Healthy.

Notes

- An explanatory Statement setting out details relating to the special business to be transacted at the Annual General meeting pursuant to Section 102 of the Companies Act, 2013, is annexed hereto. The Board of Directors of the Company at its meeting held on August 21, 2020 considered that the special business under Item Nos. 3, being considered unavoidable, be transacted at the Thirtieth Annual General Meeting of the Company.
- 2. In view of the continuing Covid-19 pandemic, the Ministry of Corporate Affairs ("MCA") has vide its Circular No. 20 dated May 5, 2020 read with Circular No. 14 dated April 8, 2020 and Circular No. 17 dated April 13, 2020 (hereinafter collectively referred to as "MCA Circulars") permitted the holding of Annual General Meeting through VC or OAVM without the physical presence of Members at a common venue. In compliance with these MCA Circulars and the relevant provisions of the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Annual General Meeting of the Members of the Company is being held through VC/OAVM.
- 3. Pursuant to the provisions of the Companies Act, 2013, a Member entitled to attend and vote at the Annual General Meeting is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company, however, since this AGM is being held pursuant to the MCA Circular No. 14/2020 of dated April 08, 2020 through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the Annual General Meeting and hence the Proxy Form and Attendance Slip are not annexed to the Notice.
- 4. Institutional/Corporate Shareholders (i.e. other than individuals/HUF, NRI, etc.) are required to send a scanned copy (PDF/JPEG Format) of its Board Resolution or governing body Resolution / Authorization etc., authorizing its representative to attend the Annual General Meeting through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution /Authorization shall be sent to the Company on their email id investor.gbl@gmail.com and to its RTA at instameet@linkintime.co.in
- 5. Registration of email ID and Bank Account details:

In case the shareholder's email ID is already registered with the Company/its Registrar & Share Transfer Agent "RTA"/Depositories, the log in details for e-voting are being sent on the registered email address.

In case the shareholder has not registered his/her/their email address and Bank Account details with the Company/its RTA/ Depositories, the following instructions to be followed:

- Kindly log in to the website of our RTA, Link Intime India Private Ltd., <u>www.linkintime.co.in</u> under Investor Services > Email/Bank detail Registration - fill in the details and upload the required documents and submit. OR
- ii. In the case of Shares held in Demat mode:

The shareholder may please contact the Depository Participant ("DP") and register the email address and bank account details in the demat account as per the process followed and advised by the DP.

- 6. The Notice of the Annual General Meeting along with the Annual Report for the financial year 2019-20 is being sent only by electronic mode to those Members whose email addresses are registered with the Company / Depositories in accordance with the aforesaid MCA Circulars and circular issued by SEBI dated May 12, 2020. Members may note that the Notice of Annual General Meeting and Annual Report for the financial year 2019-20 will also be available on the Company's www.Galaxybearings.com websites of the Stock Exchanges BSE Limited at www.bseindia.com and website of RTA www.linkintime.co.in. Members can attend and participate in the Annual General Meeting through VC / OAVM facility only.
- Members attending the meeting through VC / OAVM shall be counted for the purposes of reckoning the quorum under Section 103 of the Companies Act, 2013.
- 8. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are therefore requested to submit the PAN to their Depository Participants with whom they are maintaining their Demat accounts. Members holding shares in physical form can submit their PAN details to the Registrar and Share Transfer Agent.
- Members seeking any information with regard to the accounts or any matter to be placed at the AGM are requested to write to the Company on or before September 21, 2020 through email on investor.gbl@gmail.com. The same will be replied by the Company suitably.
- 10. The Register of Directors' and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013, the Register of contracts or arrangements in which the Directors are interested under Section 189 of the Companies Act, 2013 and all other documents referred to in the Notice will be available for inspection in electronic mode.
- 11. Members of the Company holding shares either in physical form or in Dematerialized forms as on cut-off date i.e. September 18, 2020 will be entitled to vote on the resolutions proposed in the Notice.

- 12. Members are requested to quote their Folio No. or DP ID/ Client ID, in case shares are in physical / dematerialized form, as the case may be, in all correspondence with the Company / Registrar and Share Transfer Agent.
- 13. The Register of Members and Share Transfer Books of the Company will remain closed from Saturday, September 19, 2020 to Friday, September 25, 2020 (both days inclusive) in terms of the provisions of Section 91 of the Companies Act, 2013.

14. Information and other Instructions relating to e-voting are as under:

- a. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020, May 05, 2020 and SEBI Circular dated May 12, 2020, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the Annual General Meeting. The Company has engaged the services of Link Intime India Private Limited as the Agency to provide e-voting facility for voting through remote e-voting, for participation in the Thirtieth AGM through VC/OAVM Facility and e-voting during the Thirtieth AGM.
- b. The Board of Directors of the Company has appointed Mr. Jignesh Kotadiya Practicing company secretary as the Scrutinizer, to scrutinize the e-voting.
- c. Voting rights shall be reckoned on the paid-up value of shares registered in the name of the member / beneficial owner (in case of electronic shareholding) as on the cut-off date i.e. September 18, 2020.

Instruction for Shareholders/ Members for e-voting Facility:

The voting period begins on Tuesday, September 22, 2020 at 09.00 a.m. (IST) and ends on Thursday, September 24, 2020 at 5.00 p.m. (IST). The E-Voting module shall be disabled by Link Intime India Private Limited for voting thereafter. A person, whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date, i.e. September 18, 2020 only shall be entitled to cast their vote either through remote e-voting or through E voting at the AGM.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013

ITEM NO.3

The Board of Directors of the Company ("the Board"), at its meeting held on August 21, 2020 has, subject to approval of members, re-appointed Mr. Bharatkumar Ghodasara (DIN: 00032054) as a Whole-time Director, designated as Executive Director, for a period of 3 (three) years from the expiry of his present term, i.e., with effect from September 1, 2020, on terms and conditions including remuneration as recommended by the Nomination and Remuneration Committee (the 'NR Committee') of the Board.

Members' approval is sought for the re-appointment of and remuneration payable to Mr. Bharatkumar Ghodasara as a Whole-time Director, designated as Executive Director of the Company, in terms of the applicable provisions of the Companies Act, 2013 ("the Act").

Broad particulars of the terms of reappointment of and remuneration payable Mr. Bharatkumar Ghodasara are as under:

(1) Salary:

Rs. 60,000/- per month (Increment in salary per annum will be as per rules of the Company).

(2) Perquisites:

The aggregate value of perquisites and other benefits shall not exceed Rs. 5,00,000/- per annum.

(3) Contribution to Provident Fund, Gratuity, Leave ,Bonus etc.:

As per the rules of the Company.

(4) Car:

Provision of Company's cars for official purpose.

(5) Reimbursement of costs, charges, and expenses:

The Company shall pay to or reimburse the Whole Time Director and he shall be entitled to be paid and/or to be reimbursed by the Company, all cost, charges and expenses that may have been or may be incurred by them for the purpose of or on behalf of the Company.

- (6) General:
- i. The Whole-time Director shall perform his duties as such with regard to all work of the Company and will manage and attend to such business and carry out the orders and directions given by the Board from time to time in all respects and conform to and comply with all such directions and regulations as may from time to time be given and made by the Board and the functions of the Whole-time Director will be under the overall authority of the Board of Directors.

- ii. The Whole-time Director shall act in accordance with the Articles of Association of the Company and shall abide by the provisions contained in Section 166 of the Act with regard to duties of directors.
- iii. The Whole-time Director shall adhere to the Company's Code of Conduct.
- iv. The office of the Whole-time Director may be terminated by the Company or by him by giving the other 1 (one) months' prior notice in writing.

Mr. Bharatkumar Ghodasara satisfies all the conditions set out in Part-I of Schedule V to the Act as also conditions set out under subsection (3) of Section 196 of the Act for being eligible for his reappointment. He is not disqualified from being appointed as a Director in terms of Section 164 of the Act.

The above may be treated as a written memorandum setting out the terms of re-appointment of Mr. Bharatkumar Ghodasara under Section 190 of the Act.

Details of Mr. Bharatkumar Ghodasara are provided in the "Annexure" to the Notice, pursuant to the provisions of (i) the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and (ii)

REVIEW OF OPERATIONS

During the year under review, total revenue of your Company has decreased to Rs. 4933.57 lakhs as against Rs. 7470.03 lakhs in the previous year and net profit of the company for the year has decreased to as compared Rs. 559.98 lakhs to Rs. 659.16 lakhs for the previous year.

Performance of the company is mainly affected due to fluctuations in currencies, Trade wars between major economies, geo political developments across borders, outbreak of COVID-19, lockdown announced by India government, and slowdown in Global economy.

There are no material changes or commitments affecting the financial position of the Company which have occurred between the end of the financial year and the date of this Report other than the impact of COVID-19 on the business operations of the Company detailed in this Report as well as Notes to the Financial Statements of the Company.

IMPACT OF COVID-19

In March 2020, The World Health Organization (WHO) declared COVID-19 a global pandemic consequent to this, Government of India declared nation-wide lockdown on March 24, 2020, which has impacted normal business operations of the Company. The Company has assessed the impact of this pandemic on its business operations and has considered all relevant internal and external information available up to the date of approval of these financial results, to determine the impact on the Company's revenue from operations for foreseeable future and the recoverability and carrying value of certain assets such as property, plant and equipment, investments, inventories, trade receivables. The impact of COVID-19 pandemic on the overall economic environment being uncertain may affect the underlying assumptions and estimates used to prepare Company's financial results, which may differ from that considered as at the date of approval of the financials results. As the situation is unprecedented, while the lockdown gradually lifted, the Company is closely monitoring the situation as it evolves in the future. The Company does not anticipate any challenges in its ability to continue as going concern or meeting its financial obligations. At present, thought the Company's financial health is in good condition but However, ultimate financial impact cannot be ascertained which depends up on how early country and the world is getting of the clutch of the subject pandemic.

DIVIDEND

In order to conserve the resources your directors do not recommend any dividend for the year under review.

SHARE CAPITAL

The paid up Equity Share Capital as on March 31, 2020 was Rs. 318.00 Lakhs. During the year under review, the Company has not issued any shares. The Company has not issued shares with differential voting rights. It has neither issued employee stock options nor sweat equity shares and does not have any scheme to fund its employees to purchase the shares of the Company.

AMOUNTS TRANSFER TO RESERVES

During the year under review, the Company has not transferred any amount to General Reserve of the company. The Company earned net profit of Rs. 559.98 Lakhs which has been transferred to surplus in the statement of profit and loss account. Thus total reserve and surplus stood Rs. 3429.94 Lakhs at the end of the year.

DEPOSITS

During the year Company has Received Rs. 12.00 Lakhs as unsecured Loan from the Directors which are exempted under Companies Act, 2013, read with the Companies (Acceptance of Deposits) Rules, 2014. However, During the year under review your company has not accepted or nor renewed any deposits, within the meaning of the Companies Act, 2013, read with the Companies (Acceptance of Deposits) Rules, 2014.

DEMATERIALISATION OF SHARES

The shares of your Company are being traded in electronic form and the Company has established connectivity with both the depositories i.e. National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL). In view of the numerous advantages offered by the Depository system, Members are requested to avail the facility of dematerialization of shares with either of the Depositories as aforesaid. As per notification issued by SEBI, transfer of shares in physical form has been stopped, with effect from April 01, 2019. The shareholders who continue to hold shares in physical form even after April 01, 2019, will not be able to lodge the shares with company / its RTA for further transfer. Such shareholders have to mandatorily convert their physical shares to demat form in order to give effect of any transfer. Only the requests for transmission and transposition of securities in physical form will be accepted by the company /RTAs.

DETAILS OF SUBSIDIARIES/JOINT VENTURES/ ASSOCIATE COMPANIES

The Company does not have any subsidiary company or joint venture company or associate company during the year under review. Henceforth the Company is not required to furnish the details of Section 129(3).

DIRECTORS AND KEY MANAGERIAL PERSONNEL

In accordance with the provisions of section 152 of the Companies Act, 2013, Mrs. Shetal Gor (DIN: 07056824), Director of the Company retires by rotation at the ensuing Annual General Meeting and being eligible offers herself for re-appointment. The Board of Directors recommends her re-appointment.

During the year under review, the Board of Directors on recommendation of the Nomination and Remuneration Committee reappointed Mr. Bharatkumar K. Ghodasara (having DIN: 00032054) as a Whole Time Director of the Company for a period of three years with effect from September 1, 2020 to August 31, 2023 subject to approval of members in the forthcoming Annual General Meeting.

ANNEXURE-3

FORM NO. MR-3

Secretarial Audit Report

For The Financial Year Ended On 31st March, 2020

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To, The Members, **GALAXY BEARINGS LIMITED** A-53/54,5th Floor, Pariseema Complex, C.G. Road, Ellisbridge, Ahmedabad 380006

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Galaxy Bearings Limited** having **CIN: L29120GJ1990PLC014385** (hereinafter called "the Company") Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit. I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2020 Complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:-

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2020 according to the provisions of;

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contract (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings (Not Applicable to the company during the audit period).
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 (Not Applicable to the company during the audit period).

- (d) The Securities and Exchange Board of India (Share based Employee Benefits) Regulations, 2014 (Not Applicable to the company during the audit period).
- (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (Not Applicable to the company during the audit period).
- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (Not Applicable to the company during the audit period).
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 (Not Applicable to the company during the audit period);
- (vi) Other laws as applicable specifically to the Company broadly covering Product Laws, Pollution Laws, Manufacturing Laws and Safety Laws.

I have also examined compliance with the applicable clauses/Provisions of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has broadly complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observation:

(i) Out of the total 46.77% of the promoters shareholding of the Company, 72.97% of shares held by promoter and promoter group are in dematerialized mode and 27.03% of shares held by promoter and promoter group are still held in physical mode as on 31st March, 2020. However, it has been mentioned under Regulation 31(2) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, to have entire promoters' holding of the Company in demat form only.

I further report that, The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors.

Adequate notice is given to all Directors to schedule the Board Meetings. Agenda and detailed notes on agenda were usually sent seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliances with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, there were no specific events/ actions having a major bearing on the affairs of the Company in pursuance of the above refereed laws, rules, regulations, guidelines, standards, etc.

For, Jignesh Kotadiya & Co., Practicing Company Secretarie

Jignesh Kotadiya Proprietor COP : 19815 ACS : A52121 UDIN : A052121B000527552

Date : 30th July, 2020 Place : Ahmedabad

This report is to be read with 'Annexure – I' forms an integral part of this report.

Annexure - l'

To, The Members, **GALAXY BEARINGS LIMITED** A-53/54,5th Floor, Pariseema Complex, C.G. Road, Ellisbridge, Ahmedabad 380006

My report of even date is to be read along with this letter.

- 1. Maintenance of secretarial record is the responsibility of the management of the company. My responsibility is to express an opinion on these secretarial records based on our audit.
- 2. I have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. I believe that the processes and practices, I followed provide a reasonable basis for my opinion.
- 3. I have not verified the correctness and appropriateness of financial records and Books of Accounts of the company.
- 4. Where ever required, I have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
- 5. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. My examination was limited to the verification of procedures on test basis.
- 6. The Secretarial Audit report is neither an assurance as to the future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the company.

ANNEXURE-5

Nomination and Remuneration Policy

INTRODUCTION

This policy on Nomination and Remuneration of Directors, Key Managerial Personnel (KMPs), Senior Management Personnel (SMPs) and other employees has been formulated in terms of the provisions of the Companies Act, 2013 to pay equitable remuneration to the Directors, KMPs, SMPs and other employees of the Company and to harmonize the aspirations of human resources consistent with the goals of the Company.

DEFINITIONS & INTERPRETATIONS

"Board of Directors" or "the Board" means the Board of Directors of Galaxy Bearings Limited, as constituted from time to time.

"The Company" wherever occur in the policy shall mean Galaxy Bearings Limited

"Director" means Director of the Company.

"Key Managerial Personnel" in relation to a Company means

- i. the Chief Executive Officer, or the Managing Director or the Manager;
- ii. the Company Secretary;
- iii. the Whole -time director;
- iv. Chief Financial Officer; and
- v. such other officer as may be prescribed under the Companies Act, 2013

"Independent Director" means a director referred to in Section 149(6) of the Companies Act, 2013 and rules framed thereunder.

"Senior Management Personnel" mean personnel of the company who are members of its core management team excluding the Board of Directors but including Functional Heads.

"The Committee" means the Nomination and Remuneration Committee of the Company as constituted or reconstituted by the Board, in accordance with the Act and/or regulations.

CONSTITUTION OF THE NOMINATION AND REMUNERATION COMMITTEE

The Board has constituted the Nomination and Remuneration Committee of the Board. The Board has authority to reconstitute the committee from time to time.

ROLE OF THE COMMITTEE

The terms of reference of the Nomination and Remuneration Committee are as follows:

- Make recommendations regarding the composition of the Board, identify independent Directors to be inducted to the Board from time to time and take steps to refresh the composition of the Board from time to time.
- Identify persons who are qualified to become Directors and who may be appointed in senior management in accordance with the criteria laid down, recommend to the Board their appointment and removal and carry out evaluation of every Director's performance.
- Formulate the criteria for determining qualifications, positive attributes and independence of a Director and recommend to the Board a policy relating to the remuneration of the Directors, key managerial personnel and other employees.
- Formulate criteria for evaluation of Independent Directors and the Board.
- Devise a policy on Board Diversity.
- Provide guidance and direction in developing and implementing the reward philosophy of the Company.
- Evaluate and approve the appointment and remuneration of senior executives, including the key managerial
 personnel, the Company's remuneration plan, annual salary increase principles and budgets, annual and long
 term incentive plans of the Company, policies and programmes such as succession planning, employment
 agreements, severance agreements and any other benefits.
- Review progress on the Company leadership development programmes, including for promotion to the Board, employee engagement initiatives and employee surveys.
- Review and recommend to the Board the remuneration and commission to the managing and executive Directors and define the principles, guidelines and process for determining the payment of commission to non-executive Directors of the Company.

REMUNERATION FOR MANAGING DIRECTOR ('MD')/ EXECUTIVE DIRECTORS ('ED')/ KEY MANAGERIAL PERSONNEL ('KMP')

The Board, on the recommendation of the Nomination and Remuneration Committee, shall review and approve the remuneration payable to the Executive Directors of the Company within the overall limits approved by the shareholders, if required.

• The Board, on the recommendation of the Committee, shall also review and approve the remuneration payable to the Key Managerial Personnel of the Company.

- The remuneration structure to the Executive Directors and Key Managerial Personnel may include the following components: Basic Pay, Perquisites and Allowances, Stock Options, Commission (Applicable in case of Executive Directors), Retire benefits, Annual Performance Bonus.
- The Annual Plan and Objectives for Executive Directors and Senior Executives shall be reviewed by the Committee and Annual Performance Bonus will be approved by the Committee based on the achievements against the Annual Plan and Objectives.

REMUNERATION FOR INDEPENDENT DIRECTORS AND NON-INDEPENDENT NON-EXECUTIVE DIRECTORS

- Independent Directors and non-independent non-executive Directors may be paid sitting fees for attending the Meetings of the Board and of Committees of which they may be members, as recommended by the Nomination and Remuneration Committee and approved by the Board.
- Overall remuneration should be reasonable and sufficient to attract, retain and motivate Directors aligned to the requirements of the Company; taking into consideration the challenges faced by the Company and its future growth imperatives. Remuneration paid should be reflective of the size of the Company, complexity of the sector/industry/Company's operations and the Company's capacity to pay the remuneration and be consistent with recognized best practices.
- The remuneration payable to Directors shall be inclusive of any remuneration payable for services rendered in any other capacity, unless the services rendered are of a professional nature and the Nomination and Remuneration Committee is of the opinion that the Director possesses requisite qualification for the practice of the profession.

TO OTHER EMPLOYEES

- The extent of overall remuneration should be sufficient to attract and retain talented and qualified individuals suitable for every role. Hence remuneration should be market competitive, driven by the role played by the individual, reflective of the size of the Company, complexity of the sector/ industry/ Company's operations and the Company's capacity to pay, consistent with recognized best practices and aligned to any regulatory requirements.
- Basic/ fixed salary is provided to all employees to ensure that there is a steady income in line with their skills and experience. In addition, the Company provides employees with certain perquisites, allowances and benefits to enable a certain level of lifestyle and to offer scope for savings. The Company provides retirement benefits as applicable.

• The Company may provide performance linked bonus to the rest of the employees. The performance linked bonus would be driven by the outcome of the performance appraisal process and the performance of the Company.

APPOINTMENT CRITERIA

- The Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director, KMP or at Senior Management level and recommend to the Board his/her appointment.
- A person should possess adequate qualification, expertise and experience for the position he/she is considered for appointment. The Committee has discretion to decide whether qualification, expertise and experience possessed by a person are sufficient/ satisfactory for the concerned position.
- The Company shall not appoint or continue the employment of any person as Whole-time Director who has attained the age of seventy years. Provided that the term of the person holding this position may be extended beyond the age of seventy years with the approval of shareholders by passing a special resolution based on the explanatory statement annexed to the notice for such motion indicating the justification for extension of appointment beyond seventy years.

REMOVAL CRITERIA

• Due to reasons for any disqualification mentioned in the Act or under any other applicable Act, rules and regulations thereunder, the Committee may recommend, to the Board with reasons recorded in writing, removal of a Director, KMP or SMP subject to the provisions and compliance of the said Act, rules and regulations.

RETIREMENT CRITERIA

 The Director, KMP and SMP shall retire as per the applicable provisions of the Act and the prevailing policy of the Company. The Board will have the discretion to retain the Director, KMP, Senior Management Personnel in the same position/ remuneration or otherwise even after attaining the retirement age, for the benefit of the Company.

POLICY REVIEW

• The Board of Directors on its own and /or as per recommendations of Nomination and Remuneration Committee can amend this policy, as when deemed fit.

ANNEXURE- 6 Corporate Governance Report

The Board of Directors present the Company's Report on Corporate Governance pursuant to the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') as amended for the year ended March 31, 2020.

(1) PHILOSOPHY ON CODE OF GOVERNANCE

The Governance Philosophy of Company is embedded with ethical values and professionalism since its existence. Corporate governance is creation and enhancing long-term sustainable value for the stakeholders, through ethically driven business process.

The Company's Code of Business Conduct, Ethical View Reporting Policy and its well-structured internal control systems which are subjected to regular review for their effectiveness, reinforces accountability and integrity of reporting and ensures transparency and fairness in dealing with the Company's stakeholder.

The Company ensures that it evolves and follows the corporate governance guidelines and best practices and not defaulting in any trigger point. We consider it our inherent responsibility to disclose timely and accurate information regarding our financials and performance as well as the leadership and governance of the Company.

A Report on compliance with the principles of Corporate Governance as prescribed by The Securities and Exchange Board of India (SEBI) in Chapter IV read with Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as "SEBI Regulations") is given below:

The Company believes that the governance process must aim at managing the affairs without undue restraints for efficient conduct of its business, so as to meet the aspirations of shareholders, employees and society at large.

(2) BOARD OF DIRECTORS

Composition of Directors

The composition of the Board with regard to the number of Executive Directors, Non-Executive Directors, Independent Directors and Women Director meets the requirement of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Company has optimum combination of Non-Executive Directors.

Composition of the Board as on March 31, 2020

Category	Number of Directors
Non-Executive and Independent Directors (Including one Independent Woman Director)	03
Non-Executive Directors (Including two Promoter Woman Director)	04
Executive Promoter Director	01

The Company is in compliance of Companies Act 2013 and Regulation 17A of SEBI LODR, i.e. None of the Directors on the Company's Board hold the office of Director in more than 20 (Twenty) Companies, including not more than 8 (Eight) listed public companies. The Company is in compliance of Regulation 26 of the SEBI LODR, i.e. none of the Directors are members in more than 10 (Ten) Committees or act as Chairperson of more than 5 (Five) committees, the committees being, Audit Committee and Stakeholders' Relationship Committee across all public limited companies, whether listed or not in which he/she is a Director. All the Directors except Independent Directors and Whole-time Director are liable to retire by rotation.

Pursuant to Regulation 27(2) of the SEBI LODR, the Company submits a quarterly compliance report on Corporate Governance to the Bombay Stock Exchange (BSE) within 15 days from the close of every quarter.

Attendance of the Directors in Board Meetings and at the last AGM:

Four (4) meetings of the Board of Directors were held during the year on (1) May 20, 2019, (2) August 10, 2019, (3) November 09, 2019 and (4) February 11, 2020. The requisite information as per Part A to Schedule II of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as "Listing Regulations, 2015") has been made available to the Board. The Board periodically has reviewed compliance reports of all laws applicable to the Company, and appropriate steps taken by the Company, where applicable.

Details of the Familiarization Programmes

As required by the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the provisions of the Companies Act, 2013, the Board has framed a Familiarization Program for the Independent Directors of the Company in order to update them with the nature of industry in which the Company operates and business model of the Company in order to familiarize them with their roles, rights, responsibilities, etc. The details of the abovementioned Familiarization Program is uploaded on the website of the Company www.galaxybearings.com/investor.html

Each appointed Independent Director is taken through a formal induction program including the presentation from the Whole-Time Director and Chief financial officer of Company's Manufacturing, Marketing, Finance and other important aspects and structures of the Company and its functioning.

Opinion of the Board

All Independent Directors have given declarations that they meet the criteria of independence as laid down under Section 149(6) of the Act and Regulation 16(1) (b) of the Listing Regulations. They have also given declaration under Rule 6(1) and (2) of the Companies (Appointment and Qualification of Directors) Rules, 2014, that their names are registered in the databank as maintained by the Indian Institute of Corporate Affairs (IICA). In terms of Section 150 of the Act read with Rule 6(4) of the Companies (Appointment & Qualification of Directors) Rules, 2014, the Independent Directors, if applicable, are required to undertake online proficiency self-assessment test conducted by the IICA within a period of one (1) year from the date of inclusion of their names in the data bank or such time as amended by the Central Government. In the opinion of the Board, the Independent Directors, fulfill the conditions of independence specified in Section 149(6) of the Act and Regulation 16(1) (b) of the Listing Regulations. A formal letter of appointment

Share Transfer System

The transfer of shares in physical form is processed and completed by Registrar & Transfer Agent within a period of fifteen days from the date of receipt thereof provided all the documents are in order. In case of shares in electronic form, the transfers are processed by NSDL/CDSL through respective Depository Participants. Share Transfers are registered and returned within fifteen days from the date of lodgement, if documents are complete in all respects. In compliance with the Listing Regulations, a Practicing Company Secretary carries out audit of the System of Transfer and a certificate to that effect is issued.

However, as per SEBI Notification No. SEBI/LAD-NRO/GN/2018/24 dated June 8, 2018 and further amendment vide Notification No. SEBI/LAD-NRO/GN/2018/49 dated November 30, 2018, requests for effecting transfer of securities (except in case of transmission or transposition of securities) shall not be processed from April 1, 2019 unless the securities are held in the dematerialised form with the depositories. Therefore, Shareholders are requested to take action to dematerialize the Equity Shares of the Company, promptly.

COMPLIANCE CERTIFICATE FROM PRACTICING COMPANY SECRETARIES REGARDING COMPLIANCE OF CONDITIONS OF CORPORATE GOVERNANCE

The Company has duly complied with the requirements laid down in the provisions of the Listing Regulations for the purpose of ensuring Corporate Governance. A certificate to this effect obtained from M/s. Jignesh Kotadiya, Practicing Company Secretary, has been attached to this report.

CERTIFICATE BY CHIEF EXECUTIVE OFFICER (CEO) AND CHIEF FINANCIAL OFFICER (CFO)

[As per Schedule II, Part B read with Regulation 17(8) of SEBI (Listing Obligation and Disclosure Requirement) Regulation, 2015]

Τo,

The Board of Directors

Galaxy Bearings Limited,

We, the undersigned, in our respective capacities as Whole Time Director and Chief Financial Officer of Galaxy Bearings Limited (hereinafter referred as "the Company"), to the best of our knowledge and belief certify that:

- A. We have reviewed financial statements for the year ended March 31, 2020 and that to the best of our knowledge and belief, we state that:
 - (i) These statements do not contain any materially untrue statement or omit any material fact or contain any statements that might be misleading;
 - (ii) These statements together present a true and fair view of the Company's affairs and are in compliance with Indian Accounting Standards, applicable laws and regulations.
- B. There are, to the best of our knowledge and belief, no transactions entered into by the Company during the financial year ended March 31, 2020 which is fraudulent, illegal or violative of the Company's Code of Conduct.
- C. We accept responsibility for establishing and maintaining internal controls for financial reporting and we have evaluated the effectiveness of internal control systems of the Company pertaining to financial reporting and we have disclosed to the Auditors and the Audit Committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have taken or propose to take to rectify those deficiencies.

- D. We have indicated, based on our most recent evaluation, wherever applicable, to the Auditors and the Audit Committee that:
 - (i) There has not been any significant change in internal control over financial reporting during the financial year ended March 31, 2020;
 - (ii) There has not been significant changes in accounting policies during the financial year ended March 31, 2020, except to the extent, if any, disclosed in the notes to the financial statements; and
 - (iii) Instances of significant fraud of which we have become aware and the involvement therein, if any, of the management or any employee having significant role in the Company's internal control system over financial reporting.

ANNEXURE- 7 Management Discussion and Analysis

ECONOMIC OVERVIEW

Although slowdown in the manufacturing sector and trade tensions between the US and China were among the many factors that softened the economic outlook for 2019, the year did begin on a firm footing. The projected global economic growth, albeit downgraded, was 2.9%. Despite the economic and financial headwinds, growth in developing Asia was projected to remain a robust 5.5% during 2019 (Asian Development Outlook, Update, September 2019). However, in 2019-20, the Indian economy grew by 4.2% against 6.1% expansion in 2018-19 whereas China's growth was 6.1% in 2019 vs. 6.7% in 2018. Growth among advanced economies was forecast to drop to 2% during the year although growth in Sub-Saharan Africa was projected to accelerate to 3.1% (Source: World Economic Outlook, International Monetary Fund). However, due to the COVID-19 pandemic, the International Monetary Fund has projected a sharp contraction of the global economy to a status much worse than what resulted from the 2008-09 financial crises.

India continues to be one of the fastest growing emerging economies in the world. A slowdown in the manufacturing and construction sector has lately affected GDP growth – slightly below 5% in the current fiscal. An impending revival in demand, positive consumption pattern and rising disposable income, makes India the most sought after investment destinations. Already the fifth largest economy in the world, India is supposed to take its place among the world's top three economic powers in the next 10-15 years. The pandemic has undoubtedly affected India, but with the right economic stimulus and the gradual opening up of the lockdown the situation can be expected to improve. Interstate movement of goods is gradually picking up and retail financial transactions are showing a healthy trend.

INDUSTRY STRUCTURE AND DEVELOPMENT AND OUTLOOK

The market is served primarily by organized global bearing majors through a mix of domestic manufacturing and imports. The growth of the bearing industry is correlated with the automotive and industrial sectors. The demand for the bearings is derived from two key user segments - the automotive and industrial sectors. A major portion of bearings market in India is unorganized that caters to the low-end replacement market. Several main industrial sectors and user segments are expected to push the production of industrial equipment and automotive, leading to an increase in demand for automotive component, equipment, and vehicles in the developing countries.

The supply side also faced disruption as manufacturing facilities across India halted production in response to the Covid-19 crisis. Both demand and supply side felt repercussions due to the lockdown imposed during the pandemic. Nevertheless, the industry players are optimistic for growth once the pandemic fades out. A gradual restoration of demand to previous levels and more is also anticipated.

The Company is well-positioned to leverage opportunities. Firmly driven by its strategic focus on digitalization, worldclass manufacturing, future workforce equipped to face the future with its strong resolute. This enables the Company to offer a comprehensive product portfolio to its customers, emphasizing high-quality standards and service aids, delivering value and sustainable growth.

RISK & CONCERN

The Company is exposed to external business risk, internal risk and financial risk. External business risks arise out of highly competitive industry, Variations in prices of raw-material etc. Internal risks basically cover operational efficiency and ability to withstand competition. Financial risks are basically in the nature of interest rate variations.

OPPORTUNITIES AND THREATS

Opportunities:

Bearings market size is forecast to reach USD 142 billion by 2022, as per a research report by Global Market Insights, Inc. High demand across the automotive sector coupled with need to achieve energy efficiency in various sectors is likely to spur global demand over the next seven years. Growing demand for commercial vehicles is expected to elevate the automotive sector over the next few years. Continuous trend towards the replacement of ageing fleet coupled with growing demand from industrial and infrastructural sector is expected to drive growth. Rising demand for energy effective products is projected to drive the bearings market growth during the forecast period. Strict rules & standards to preserve the global environment have stimulated the development of innovative application-specific bearings. The demand for large-bore anti-friction bearings in the heavy machinery and manufacturing industries as well as in the renewable energy sector such as for wind turbines are expected to drive the market.

Threats:

Sluggish global demand has led to underutilization of global manufacturing capacities. Globally Focus on localization and growing protectionism in some of the developed economies will pose a challenge. COVID-19, commodity prices, geopolitical trade wars and sentimental risk aversion will add to these challenges.

The bearing industry is facing two major threats, Counterfeit products and the other from cheap imports. Counterfeit products have a multifold impact on the industry; they not only are damaging the brands but also pose a safety and financial hazard for its victims. Cheap imports are a threat as they lead to inefficient utilization of Bearings are mainly manufactured using high grade steel or alloy steel, which exposes them to global steel price movement.

SEGMENT-WISE-PERFORMANCE

Galaxy Bearings is the most trusted supplier in the industry for bearings. It operates in a single segment, namely in "ball and roller bearings", which are used in widespread applications across industries. The Company's world-class manufacturing facilities.

INTERNAL CONTROL SYSTEMS

The Company has adequate systems of Internal Controls commensurate with its size and operations to ensure orderly and efficient conduct of business. These controls ensure safeguarding of assets, reduction and detection of fraud and error, adequacy and completeness of the accounting records and timely preparation of reliable financial information.

FINANCIAL PERFORMANCE

During the Financial year 2019-20 the Company has earnings before interest, depreciation and tax amounting to Rs. 815.44 Lakhs after providing for finance cost of Rs. 23.56 Lakhs and depreciation of Rs. 99.18 Lakhs, Profit before tax comes to Rs. 692.69 Lakhs which was Rs. 914.42 Lakhs during the financial year 2018-2019.

HUMAN RESOURCES

With its vision of "Think Business Think People" – the Company's philosophy is to establish and build a high performing organization, where each individual is motivated to perform to the fullest capacity: to contribute to developing and achieving individual excellence and departmental objectives and continuously improve performance to realize the full potential of our personnel. The relations between the employees and the Management have remained cordial. People are the most critical resource which drives our success and hence the Company is committed to the growth, development and engagement of the workforce.

CAUTIONARY STATEMENT

INDEPENDENT AUDITOR'S REPORT

То

The Members of Galaxy Bearings Limited Ahmedabad

Report on the Audit of the Standalone Financial Statements

Opinion

- We have audited the accompanying standalone financial statements of Galaxy Bearings Limited (the 'Company') which comprise the Balance Sheet as at 31st March 2020, the Statement of Profit and Loss (including Other Comprehensive Income) the Cash Flow Statement and the Statement of Changes in Equity for the year then ended and a summary of the significant accounting policies and other explanatory information.
- 2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the state of affairs of the Company as at **31st March 2020** and its profit (including other comprehensive income) its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further, described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statement section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the Standalone Financial Statement under the provisions of the Act and the rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

 As described in Note 43 to the standalone annual Standalone Financial Statement, the extent to which the COVID-19 pandemic will impact the company's operations and financial performance is dependent on future developments, which are highly uncertain.

Our opinion is not modified in respect of the above matters.

Key Audit Matters

5. Key audit matters are those matters that, in our professional, judgment, were of most significance in our audit of the, standalone financial statements of the current period. These matters were addressed in the context of our

audit, of the standalone financial statement as a whole, and in forming our opinion thereon, and we do not provide a separate opinion, on these matters.

6. Key audit matter identified in our audit is on Recognition of Government Grant (Export Incentives) as follows:

Key audit matter	Audit Approach
Recognition of Government Grant (Export Inc	entives)
The Company receives government grants (Export Incentives Benefits) as per the Merchandise Exports from India Scheme (MEIS) under Foreign Trade Policy of India (FTP 2015-20).	We evaluated the accounting treatment of the government grant in terms of Ind AS -20 "Accounting for Government Grants". In respect of the same our audit procedures included the following:
During the current financial year, the Company has recognised an amount Rs. 149.12 Lacs as other Operating Revenue. Company has received Rs. 209.77 Lacs during the year under the said scheme including income recognised in earlier years.	 On a sample basis verified the claims lodged by the Company and its approval by the concerned Government Authorities; In respect of claims pending for approval at the year end, we verified the empirical evidence of the claims lodged vis-à-vis claims approved to satisfy
We considered this to be a matter of most significance to our audit due to the:	as regards the reliable measurement of government grant receivable.
 Significant level of Management Judgement involved in respect of reliable measurement of government grants and its accrual; 	
• The quantum of the Export Incentives Income is 26.52 % of PAT.	

Information other than the Standalone Financial Statement and Auditor's Report thereon

7. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Standalone Financial Statement and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the Standalone Financial Statement does not cover the other information and we do not express rance conclusion thereon.

In connection with our audit of the Standalone Financial Statement, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statement or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and as may be legally advised.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

- 8. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- **9.** In preparing the Standalone Financial Statement, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
- **10.** Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statement

11.Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statement.

- **12.** As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Standalone Financial Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for explaining our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Standalone Financial Statement, including the disclosures, and whether the Standalone Financial Statement represent the underlying transactions and events in a manner that achieves fair presentation.
- **13.** We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- 14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- **15.** From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statement of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- **16.** As required by the Companies (Auditor's Report) Order, 2016 (the 'Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.
- **17.** Further to our comments in Annexure A, as required by Section 143(3) of the Act, we report that:
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) the standalone financial statements dealt with by this report are in agreement with the books of account;
 - d) in our opinion, the aforesaid standalone financial statements comply with Ind AS specified under Section 133 of the Act;
 - e) on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2020 from being appointed as a director in terms of Section 164(2) of the Act;
 - f) we have also audited the internal financial controls over financial reporting (IFCoFR) of the Company as on 31st March 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date and our report as per Annexure B expressed an unmodified opinion;
 - g) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company has disclosed the impact of pending litigations on its financial position in the standalone financial statements; (Refer Note 32 to the Standalone Financial Statement);
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE "A" TO INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 16 of "**Report on Other Legal and Regulatory Requirements**" of our Report of even date to the Members of **GALAXY BEARINGS LIMITED** for the year ended **31**st **March, 2020**

1. In respect of Fixed Assets :

- (a) The Company has maintained proper records showing full particulars including quantitative details and situation of Fixed Assets on the basis of available information.
- (b) As per the information and explanations given to us, the management at reasonable intervals during the year in accordance with a programme of physical verification physically verified the fixed assets and no material discrepancies were noticed on such verification as compared to the available records.
- (c) As explained to us, the title deeds of all the immovable properties are held in the name of the company.

2. In respect of its Inventories :

- (a) The inventory has been physically verified during the year by the management. In our opinion, the frequency of verification is reasonable.
- (b) The procedures of physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) On the basis of our examination of the records of inventory, we are of opinion that the Company is maintaining proper records of inventory. The discrepancies noticed on verification between the physical stocks and books records were not material.

3. In respect of Loans and Advances granted during the year:

As regards the loans, the company has not granted any loans, secured or unsecured during the year under audit, to the companies, firms, Limited Liability Partnership or other parties covered in the register maintained under section 189 of the companies Act, 2013 and therefore, the clauses (iii) (a) to (c) of the companies (Auditor's Report) Order, 2016 are not applicable.

4. Loans, Investments and guarantees:

According to the information and explanation given to us, the company had neither given any loan, guarantee or security, nor made any investments during the year to the parties covered under section 185 & 186 of the Companies Act 2013. Therefore clauses (iv) of companies (Auditor's Report) Order, 2016 is not applicable.

5. During the year, the company has not accepted any deposits from public and hence the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies

Act and the rules framed there under are not applicable to the company. Therefore clauses (v) of companies (Auditor's Report) Order, 2016 is not applicable.

6. We have broadly reviewed the books of accounts relating to materials, labour and other items of cost maintained by the company pursuant to the Rules made by the Central Government for the maintenance of cost records as per the provisions of Companies (Cost Records and Audit) Rules, 2014, and we are of the opinion that prima facie the prescribed accounts and records have been made and maintained. We have not, however made a detailed examination of the records with a view to determine whether they are accurate or complete.

7. In respect of Statutory Dues :

- (a) According to the records of the Company, the Company is by and large regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax & Goods and Service Tax, cess and any other statutory dues with the appropriate authorities applicable to it.
- (b) According to the information and explanations given to us, there is no such arrears in respect statutory dues were outstanding as at 31st March, 2020 for a period of more than six months from the date they became payable.
- (c) According to the records of the company, there is no dues of income tax, sales tax, wealth tax or service tax or duty of customs or duty of excise or value added tax which have not been deposited on account of dispute.
- 8. Based on our audit procedure and according to the information and explanation given to us, we are of the opinion that the Company has not defaulted in repayment of dues to a Financial Institutions, Banks or debenture holders.
- 9. According to the information and explanations given to us, the company had not raised any money by way of public issue during the year. According to the information and explanations given to us, and on an overall examination of the balance sheet of the company, in our opinion, the term loans taken during the year were applied for the purpose for which they were obtained.
- **10.** Based upon the audit procedures performed and information and explanations given by the management, we report that no fraud by the Company or any fraud on the company by it's officer or employees has been noticed or reported during the course of our audit.
- 11. In our opinion and according to the information and explanations given to us, the company had paid managerial remuneration which is in accordance with the requisite approvals mandated by the provisions of section 197 read with schedule V of The Companies Act, 2013.

- 12. In our opinion and according to the information and explanations given to us, the provisions of special statute applicable to chit funds and nidhi / mutual benefit funds / societies are not applicable to the company. Hence, clause (xii) of the Company's (Auditor's Report) Order, 2016 is not applicable.
- 13. In our opinion and according to the information and explanations given to us, the transactions entered by the company with related parties are in compliance with the provisions of section 177 and 188 of The Companies Act, 2013 and details thereof are properly disclosed in the Standalone Financial Statement.
- 14. In our opinion and according to the information and explanation given to us, no preferential allotment or private placement of shares or fully or partly convertible debentures, made during the year under review and hence, clause (xiv) of the Company's (Auditor's Report) Order, 2016 is not applicable.
- **15.** The company had not entered in to any non-cash transactions with the directors or persons connected with him during the year, and hence clause (xv) of Company's (Auditor's Report) Order, 2016 is not applicable.
- 16. In our opinion and according to the information and explanation given to us the company is not registered under section 45-IA of Reserve Bank of India Act, 1934, hence clause (xvi) of Company's (Auditor's Report) Order, 2016 is not applicable.

ANNEXURE "B" TO INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 17(f) of "**Report on Other Legal and Regulatory Requirements**" of our Report of even date to the Members of **GALAXY BEARING LIMITED** for the year ended **31**st **March, 2020**.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **GALAXY BEARING LIMITED** as of **31**st **March 2020**, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statement, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statement for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1)Pertain to the maintenance of records that, in reasonable detail ,accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statement in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Financial Statement.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. <u>CORPORATE INFORMATION</u>

Galaxy Bearings Limited (referred to as 'the company') is a leading in manufacturing & trading of Ball and Taper Roller Bearing and Steel etc. The company has its registered office at A/53 - 54, Pariseema Complex, C G Road, Ellisbridge, Ahmedabad - 380006, Gujarat, India.

2. SIGNIFICANT ACCOUNTING POLICIES

i. a) Statement of Compliance:

The financial statements have been prepared with all material aspect with Indian Accounting Standards (Ind As) notified under section 133 of the Companies Act, 2013 (the Act) read with the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

b) Basis of Preparation:

The financial statements have been prepared on accrual basis of accounting under historical cost convention in accordance with generally accepted accounting principles in India and the relevant provisions of the Companies Act, 2013 including Indian Accounting Standards notified there under, except for the following where the fair valuation have been carried out in accordance with the requirements of respective Ind As:

- Employee defined benefit plans plan assets.
- Investments in Equity Instruments

The Operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle. Accordingly, all assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Ind AS 1- 'Presentation of Financial Statements' and Schedule III to the Companies Act,2013.

ii. Use of Estimates:

The preparation and presentation of financial statements are in conformity with the Ind As which required management to make estimates and assumptions that affect the reported amounts of assets and liabilities (including contingent liabilities) on the date of the financial statements and the reported amount of revenues and expenses during the reporting year.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. Management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Future results could differ due to these estimates and differences between the actual results and estimates are recognized in the year in which the results are known / materialized.

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment within the next financial year are included in the following notes:

- Note 2(xvi) Current / Deferred Tax Liabilities
- Note 2(xiii) Measurement of defined benefit obligations
- Note 2(vi) Expected credit loss for receivables
- Note 2(vi) Fair valuation of investments

iii. Critical Accounting Estimates and Judgement used in application of Accounting Policies

a. Income Taxes

Significant judgements are involved in determining the provision for Income Taxes, including amount expected to be paid / recovered for uncertain tax positions. (Also refer Note 16 and 30.)

b. Property, Plant and Equipment

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful life and residual values of the Company's assets are determined by the Management at the time the asset is acquired and reviewed periodically, including at each financial year end. The life is based on historical experience with similar assets as well as anticipation of future events, which may impact their life such as changes in technology. (Refer Note 3)

c. Impairment of Financial Assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation based on empirical evidence available without under cost or effort, existing market conditions as well as forward looking estimates at the end of each reporting period. (Refer Note 38).

d. Defined Benefit Plan

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligations is determined using actuarial valuation. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. (Refer Note 26.1).

e. Fair Value Measurement of Financial Instruments

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets, where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include consideration of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair values of financial instruments. (Refer Note 37)

iv. <u>Property, Plant and Equipment & Depreciation</u>:

a) **Property Plant and Equipment:**

Property, plant and equipment are tangible items that are held for use in the production or supply of goods and services, rental to others or for administrative purposes and are expected to be used during more than one period. The cost of an item of property, plant and equipment is recognised as an asset if and only, if it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Freehold land is carried at cost less accumulated impairment losses. All other items of property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses. Cost of an item of property, plant and equipment comprises:

- Its purchase price, all costs including financial costs till commencement of commercial production are capitalized to the cost of qualifying assets. CENVAT/Tax credit, if any, are accounted for by reducing the cost of capital goods;
- Any other costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

b) Depreciation methods, estimated useful life and residual value:

Depreciation is provided for property, plant and equipment so as to expense the cost over their estimated useful lives based on evaluation. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Depreciation on property, plant and equipment has been provided on straight line method except on Plant & Equipment which is on Written Down Value Method based on the useful life specified in Schedule II to the Companies Act, 2013. However, land is not depreciated.

Asset Class	Useful life (years)
Building	30
Tube Well	30
Plant & Machinery	15
Furniture and Fixture	10
Vehicle	8
Electric Installation	10
Computer	3

The estimated useful lives are mentioned below:

Depreciation is calculated on pro rata basis with reference to the date of addition/disposal. The residual values are not more than 5% of the original cost of asset.

c) Derecognition of Property, Plant and Equipment:

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss from the derecognition of an item of property, plant and equipment is recognised in the statement of profit and loss account when the item is derecognized.

v. Intangible Assets and Amortisation :

a) Intangible Assets:

The Company identifies an identifiable non-monetary asset without physical substance as an intangible asset. The Company recognises an intangible asset if it is probable that expected future economic benefits attributable to the asset will flow to the entity and the cost of the asset can be measured reliably. An intangible asset is initially measured at cost unless acquired in a business combination in which case an intangible asset is measured at its fair value on the date of acquisition.

The Company subsequently measures all intangible assets at cost less accumulated amortisation less accumulated impairment. An intangible asset is amortised on a straight-line basis over its useful life. A rebuttable presumption that the useful life of an intangible asset will not exceed five years from the date when the asset is available for use is considered by the management. Amortisation commences when the asset is in the location and condition necessary for it to be capable of operating in the manner intended by management. Amortisation ceases at the earlier of the date that the asset is classified as held for sale (or included in a disposal group that is classified as held for sale) and the date that the asset is derecognised. The amortisation charge for each period is recognised in profit or loss unless the charge is a part of the cost of another asset. The amortisation period and method are reviewed at each financial year end. Any change in the period or method is accounted for as a change in accounting estimate prospectively.

The Company derecognises an intangible asset on its disposal or when no future economic benefits are expected from its use or disposal and any gain or loss on derecognition is recognised in profit or loss as gain / loss on derecognition of asset.

vi. Impairment of non – financial assets

The Company reviews the carrying amount of its Property, Plant and Equipment, including Capital Work in progress of a "Cash Generating Unit" (CGU) at the end of each reporting period to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an

individual asset, the Company estimates the recoverable amount of the Cash Generating Unit to which the asset belongs.

Recoverable Amount is determined:

- i) In case of individual asset, at higher of the fair value less cost to sell and value in use; and
- ii) In case of cash generating unit (a company of assets that generates identified, independent cash flows), at the higher of the cash generating unit's fair value less cost to sell and the value in use.

If the recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the Statement of Profit and Loss.

vii. <u>Financial Instruments</u> :

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

1. Financial Assets:

i. Initial recognition and measurement:

At initial recognition, the Company measures a financial asset (which are not measured at fair value) through profit or loss at its fair value plus or minus transaction costs that are directly attributable to the acquisition or issue of the financial asset.

Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortised cost.

ii. Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in following categories:

- i) Financial assets measured at amortised cost;
- ii) Financial assets at fair value through profit or loss (FVTPL) and
- iii) Financial assets at fair value through other comprehensive income (FVOCI)

The Company classifies its financial assets in the above mentioned categories based on:

- a) The Company's business model for managing the financial assets, and
- b) The contractual cash flows characteristics of the financial asset.

i) Financial assets measured at amortised cost :

A financial asset is measured at amortised cost if both of the following conditions are met:

- a) A financial asset is measured at amortised cost if the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the Contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.
- b) Financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

ii) Financial assets at fair value through profit or loss (FVTPL):

Financial assets are measured at fair value through profit and loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in profit or loss.

iii) Financial assets at fair value through other comprehensive income (FVOCI):

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is achieved by collecting both contractual cash flows that gives rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

A financial asset is measured at fair value through profit or loss unless it is measured at amortised cost or fair value through other comprehensive income. In addition, The Company may elect to designate a financial asset, which otherwise meets amortised cost or FVOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch')

Trade receivables, Advances, Security Deposits, Cash and Cash Equivalents etc. are classified for measurement at amortised cost.

iii. Equity Instruments:

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS 103 applies are classified as at FVTPL. For all other equity instruments, the company may make an irrevocable

election to present in other comprehensive income subsequent changes in the fair value. The company makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Profit & Loss.

The company has elected to measure its equity instruments through FVPTL.

iv. Cash and cash equivalents:

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the company's cash management.

v. Derecognition:

The Company derecognizes a financial asset when contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognized in the Statement of Profit and Loss.

vi. Impairment of financial assets:

The company assesses at each date of statement of financial position whether a financial assets or group of financial assets is impaired. In accordance of Ind AS 109, the company applies expected credit loss (ECL) model for measurement and recognition of impairment loss.

In case of trade receivables, the Company follows a simplified approach wherein an amount equal to lifetime ECL is measured and recognised as loss allowance. As a practical expedient, the company uses a provision matrix to determine impairment loss on portfolio of its trade receivables. The provision matrix is based on its historically observed

default rates over the expected life of trade receivables. ECL impairment loss allowances (or reversal) recognized during the period is recognized as an expense / income respectively in the statement of profit and loss. Provision for ECL is presented as deduction from carrying amount of trade receivables.

For all other financial assets, expected credit losses are measured at an amount equal to 12 month expected credit losses or at an amount equal to lifetime expected losses, if the credit risk on the financial asset has increased significantly since initial recognition.

Subsequently, if the credit quality of the financial asset improves such that there is no longer a significant increase in credit risk since initial recognition, the Company reverts to recognizing impairment loss allowance based on 12 month ECL.

2. Financial Liabilities:

i. Initial recognition and measurement:

All financial liabilities are recognised initially at fair value and subsequently carried at amortised cost using the effective interest method.

The company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

ii. Subsequent measurement:

The measurement of financial liabilities depends on their classification, as described below:

- i) Financial liabilities measured at amortised cost.
- ii) Financial liabilities at fair value through profit or loss.

a. Financial liabilities measured at amortised cost :

Subsequently, all financial liabilities are measured at amortised cost. Any discount or premium on redemption/ settlement is recognised in the Statement of Profit and Loss as finance cost over the life of the liability using the effective interest method and adjusted to the liability figure disclosed in the Balance Sheet.

b. Financial assets at fair value through profit or loss (FVTPL):

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in

Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to P&L. However, the company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss.

c. Derecognition:

Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

viii. Off-setting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the standalone balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

ix. Fair value measurement:

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed in their measurement which are described as follows:

- (a) Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- (b) Level 2 inputs are inputs that are observable, either directly or indirectly, other than quoted prices included within level 1 for the asset or liability.
- (c) Level 3 inputs are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Company's assumptions about pricing by market participants.

x. <u>Inventories</u>:

Inventories are valued at lower of cost and net realizable value. Cost in respect of raw materials is determined on FIFO basis. Net realizable value is the estimated selling price in the ordinary course of business less estimated cost necessary to make sale.

Costs in respect of Finished goods and process stock Inventories are computed on weighted average basis method. Finished goods and process stock include cost of conversion and other costs incurred in acquiring the inventory and bringing them to their present location and condition.

xi. <u>Borrowing Cost</u> :

Borrowing costs include interest and amortisation of ancillary costs incurred to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalisation of such asset is added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

xii. Statement of Cash flows:

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

xiii. <u>Income recognition</u>:

Revenue from Contacts with Customers

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the company expects to be entitled in exchange for those goods or services.

The revenue towards satisfaction of performance is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligations. The transaction price of goods sold and service rendered is net of variable consideration on account of various discounts offered by the company as part of contract. These variable consideration is estimated based on the expected value of outflow. Revenue (net of variable consideration) is recognised only to the extent that it is highly probable that amount will not be subject to significant reversal when uncertainty relating to its recognition resolved.

Sale of Product:

The performance obligation in case of sale of product is satisfied at a point in time i.e. when the material is shipped to the customer or on delivery to the customers as may be specified in the contract.

Other Operating Revenue

Export Incentives:

Exports Incentives are treated as income in the year of Exports based on eligibility and when there is reasonable certainty regarding the receiving the same.

Other Income

Interest income:

Interest Income from financial assets is recognised at the effective interest rate applicable on initial recognition.

Other income is recognized on accrual basis except when realization of such income is uncertain.

xiv. <u>Government grants & subsidies</u>

Grants from the government are measured at amounts receivable from the government which are nonrefundable and are recognized as income when there is a reasonable assurance that the Company will comply with all necessary conditions attached to them.

Income from the above grants are presented under Revenue from Operations.

xv. <u>Foreign Currency Transactions</u>:

Functional currency of the Company is Indian rupee. The financial statements have been presented under its functional currency. Any transaction that is denominated in a currency other than the functional currency is regarded as foreign currency transaction. All foreign currency transactions are recorded, on initial recognition in the functional currency, by applying to the foreign currency amount the spot exchange rate between the functional currency and the foreign currency at the date of the transaction. In case of consideration received or paid in advance, the exchange rate prevailing on the date of receipt or payment of advance is considered when subsequently the related asset is given up or received to the extent of advance consideration.

At the end of the reporting period:

- 1. foreign currency monetary items are translated using the exchange rate for immediate delivery at the end of the reporting period;
- 2. non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction; and
- 3. non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured.

Exchange difference arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements are recognised in profit or loss in the period in which they arise.

xvi. <u>Employee Benefits</u>:

i. Short term employee benefits:

Short Term benefits are recognised as an expense at the undiscounted amounts in the Statement of Profit and Loss of the year in which the related service is rendered . In case of Leave Encashment, the company does not allow carry forward of unavailed leave and hence unavailed leaves are encashed in the current year itself.

ii. Post employment benefits:

a) Defined contribution plan:

The Employee and Company make monthly fixed Contribution to Government of India Employee's Provident Fund equal to a specified percentage of the Cover employee's salary, Provision for the same is made in the year in which service are render by employee.

b) Defined benefit plans:

The Liability for Gratuity to employees, which is a defined benefit plan, as at Balance Sheet date determined on the basis of actuarial Valuation based on Projected Unit Credit method is funded to a Gratuity fund administered by the trustees and managed by Life Insurance Corporation of India and the contribution thereof paid/payable is absorbed in the accounts.

The present value of the defined benefit obligations is determined by discounting the estimated future cash flows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expenses in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in balance sheet. Changes in present value of the defined benefit obligation resulting from plan amendment or curtailments are recognized immediately in profit or loss as past service cost.

xvii. <u>Earnings per Share:</u>

Basic earnings per share is calculated by dividing net profit after tax for the year attributable to Equity Shareholders of the company by the weighted average number of Equity Shares issued during the year. Diluted earnings per share is calculated by dividing net profit attributable to equity Shareholders (after adjustment for diluted earnings) by average number of weighted equity shares outstanding during the year.

xviii. <u>Provisions, Contingent Liabilities and Contingent Assets</u>:

Provisions are recognised only when there is a present obligation as a result of past events and when a reliable estimate of the amount of obligation can be made. Contingent liability is disclosed for (i) Possible obligation which will be confirmed only by future events not wholly within the control of the Company or (ii) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made. Contingent assets are not recognised in the financial statements.

xix. <u>Taxes on Income</u>:

a) Current tax:

Current Tax is determined on income for the year chargeable to tax in accordance on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Effective from 1st April, 2019, the Company has adopted Appendix C of Ind AS-12 and has provided for the tax liability based on the significant judgment that the taxation authority will not accept the tax treatment. However adoption of the same does not have any impact on the Balance Sheet, Statement of Change in Equity and Statement of Profit & Loss Account.

b) Deferred tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with asset will be realised.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

xx. <u>Segment reporting</u>:

The Chief Operational Decision Maker (CODM) monitors the operating results of its business Segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. Operating segments are reported in a manner consistent with the internal reporting to the CODM.

Accordingly, the Board of Directors of the Company is CODM for the purpose of segment reporting. Refer Note No. 35 for segment information presented.

xxi. Leases :

Effective from 1st April, 2019, the Company has adopted Ind AS-116 "Lease" retrospectively with the cumulative effect of applying this standard recognise at the date initial application.

Due to the same, the associated right-of-use assets are measured either at the carrying amounts as if the Standard has been applied since the commencement date or at the amount equal to the lease liability are included in and presented as "Right to use Asset" and "Other financial liabilities" respectively on the financial statements.

The right-of-use asset is depreciated over the shorter of the asset 's useful life and the lease term on a straight-line basis. Lease term includes periods of an option to extend the lease if the lessee is reasonably certain to exercise that option and an option to terminate the lease if the lessee is reasonably certain not to exercise that option. Short-term leases for the underlying asset is of low value apply exemption rules of the standards, and recognize the lease payments associated with those leases as an expense mainly on straight-line basis over the lease term.

The cumulative effects due to the application of this standard were recognized on the commencement date of adoption in accordance with the transitional arrangements, the retrospective restatement of prior periods have not been applied.

a) Finance leases:

Assets acquired under lease where the Company has substantially all the risk and rewards of ownership are classified as finance leases. Such assets are capitalised at inception of lease at the lower of fair value or present value of minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each period.

b) Operating leases:

Assets acquired on leases where a significant portion of the risk and rewards of ownership are retained by the lessor are classified as operating leases. Lease rentals are charged to the statement of profit and loss on accrual basis.

xxii. Insurance Claims:

Insurance and other claims are recognised only when it is reasonably certain that the ultimate collection will be made.

xxiii. <u>Standards issued but not yet effective</u>

Till the date of approval of these financial statements, no amendments to Ind AS that would be effective in future periods have been notified.

34 Segment Reporting

The Company's management, consisting of the chief executive officer, the chief financial officer and the manager for corporate planning, monitors the operating results of the below business segments separately for the purpose of making decisions about resource allocation and performance assessment and accordingly, based on the principles for determination of segments given in Indian Accounting Standard 108 "Operating Segments "and in the opinion of management the Co. is primarily engaged in the business of Ball & Roller Bearings. All other activities of the Co. revolve around the main business and as such there is no separate reportable business segment.

The operations of the company are confined to India as well as outside India with export contributing to 65.11% (P.Y. 67.54%) of annual turnover. Hence in view of the management India and exports market represents different geographical segment.

Particulars	India	Outside India	Total Rs.
Revenue by Geographical Market	1681.87	3138.,42	4820.29

The above fair value hierarchy explains the judgements and estimates madein determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost for which fair values are disclosed in the financial statements. To provide the indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments in to three levels prescribed is as under:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilties

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liabilty, either directly (i.e. as prices) or indirectly (i.e. derived from prices)

Level 3 - Inputs for the assets or liabilties that are not based on observable market data (unobservable inputs)

There were no transfers between the levels during the year

Valuation process

The finance department of the Company includes a team that performs the valuations of financial assets and liabilties required for financial reporting purposes, including level 3 fair values. The fair valuation of level 1 and level 2 classified assets andliabilities are readily available from the quoted pricies in the open market and rates available in secondary market respectively. The valuation method applied for various financial assets and liabilities are as follows -

1. Quoted price in the primary market (NAV) considered for the fair valuation of the current investment i.e Mutual fund. Gain / (loss) on fair valauation is recognised in profit and loss.

2. The carrying amount of trade receivable, trade pable, cash and bank balances, short term loans and advances, statutory/ receivable, short term borrowing, employee dues are considered to be the same as their fair value due to their short-term nature.

37 Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- I Credit Risk
- II Liquid Risk
- III Market Risk

Risk Management Framework

The Company's risk management is governed by policies and approved by the board of directors. Company's identifies, evaluates and hedges financial risks in close co-operation with the Company's operating units. The company has policies for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments.

The audit committee oversees how management monitors compliance with thecompany's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

I Credit Risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure to credit risk at the reporting date is primarily from trade receivables and loans to related parties. Credit risk has always been managed by the company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the company grants credit terms inthe normal course of business. On account of the adoption of Ind AS 109, the company uses ECL model to assess the impairment loss or gain. The company uses a provision matrix to compute the ECL allowance for trade receivables and unbilled revenues. The provision matrix takes into account available external and internal credit risk factors and the company's experience for customers.

Ageing of Account Receivables	As at	As at
	31/03/2020	31/03/2019
	Rs.	Rs.
Within the credit period	Nil	Nil
1-30 days past due	309.22	1,291
31-90 days past due	543.63	678.89
91-180 days past due	336.98	379.32
More than 180 days past due	5.61	4.57
Total	1,195.44	2,353.67

The Company reviews trade receivables on periodic basis and makes provision for doubtful debts if collection is doubtful. The Company also calculates the expected credit loss (ECL) for non-collection of receivables. The Company makes additional provision if the ECL amount is higher than the provision made for doubtful debts. In case the ECL amount is lower than the provision made for doubtful debts without any adjustment.

The provision for doubtful debts including ECL allowances for non-collection of receivables and delay in collection, on a combined basis, was Rs. 0.06 Lacs as at March, 2020 and Rs. 0.05 Lacs as at March 31, 2019. The movement in allowances for doubtful accounts comprising provision for both non-collection of receivables and delay in collection is as follows:

Movement in provision of doubtful debts	As at	As at
	31/03/2020	31/03/2019
	Rs	Rs
Balance at the beginning	4571	2,54,830
Impairment loss recognised	124716	(250259)
Impairment loss reversed	4,571	Nil
Amount written off	Nil	Nil
Balance at the end	1,24,716	4,571

II Liquid Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Management regularly monitors the position of cash and cash equivalents vis-à-vis projections. Assesment of maturity profiles of financial assets and libilities including debt financing plans and maintainance of balance sheet liquidity ratios are considered while reviewing the liquidity position.

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

III Market Risk

Market risk is the risk that the fair value or future cash flow of a financialinstrument will fluctuate because of changes in market factors. Market risk comprises three type of risks:

- a) Currency Risk
- **b)** Interest Risk
- c) Price Risk

a) Currency Risk

The functional currency of the Company is Indian Rupee. The Company is exposed to currency risk on account of payables and receivables in foreign currency. Company is exposed to currency risk on account of payables and receivables in foreign currency. The average exports account for 67.80 % of total sales which perceived to be a major risk. The imports Purchase is Rs. 65.70 Lacs.

Company does not use derivative financial instruments for trading or speculative purposes.

41	The financial statement are recommended for issue by the Audit Committee as at its	meeting on 27th J	une 2020 and	
	approved by the Board of Directors on 27th June, 2020.			
42	The board has not recommended dividend.			

43 Due to outbreak of COVID-19 globally and in India, the company's management has made initial assessment of likely adverse impact on business and financial risks, and believes that the impact is likely to be short term in nature. The management does not see any medium to long term risks in the company's ability to continue as a going concern and meeting its liabilities as and when they fall due.

The Management based on current estimates expects that the carrying amounts of Receivables, Inventories & Advances will be recovered, net of provisions made.

The extent to which the COVID-19 pandemic will impact the company's financial performance is dependent on future developments, which are highly uncertain including among other things, any new information concerning the severity of the COVID-19 pandemic and any action to contain its spread or mitigate its impact whether government mandated or elected by the Company. Given the uncertainty over the potential macro-economic conditions the impact of COVID-19 pandemic may be different from that estimated as at the date of approval of these financial statements and the company will continue to closely monitor any material changes to future economic conditions, which will be given effect to in the respective future period.

44 Previous year's figures have been regrouped and rearranged wherever necessary, to make them comparable with those of current year.
